Day 03 (BLD): DISCOVERING CANBERRA – Thursday 4th October, 2018

An early start today to make the most of our touring in Canberra. Our first stop is **Mt Ainslie**. The views across Lake Burley Griffin are excellent. From the War Memorial it is possible to see straight across to the elegant new Parliament House on Capital Hill. Canberra is a truly unique city and one of only a few planned cities in the world. From here, we visit the **National Museum of Australia**. It's an amazing place! The **National Museum of Australia** explores the land, nation and people of Australia. It celebrates Australian social history in a unique way by revealing the stories of ordinary and extraordinary Australians, promoting the exploration of knowledge and ideas and providing a dynamic forum for discussion and reflection. We have allocated most of the morning to explore the facility before transferring to the **Tulip Top Gardens**. Lunch will be served in these beautiful surroundings. Our final visit of the day is the **Australian War Memorial** commemorating the sacrifice of the Australian men and women, who have served in war, through its ceremonial areas, extensive exhibitions and research facilities. The focus of the commemoration is the Hall of Memory together with the **Tomb of the Unknown Soldier**, the **Pool of Reflection** and the **Roll of Honour** that lists the names of over 102,000 Australian servicemen and women who have died in war. Over the past few years the Memorial has undergone extensive

redevelopment resulting in new galleries and displays. The largest of these is the very impressive **Anzac Hall**. It was in May 1942 when 4 Japanese Midget Submarines attacked Sydney Harbour that the reality of war was brought home to most Australians. The Sydney under Attack multi media presentation uses light, sound, photos and film to recreate that famous event in graphic detail. Also on display in Anzac Hall is a vast collection of historic military technology including Australia's oldest military aircraft – the Deperdussin, a First World War Mark IV Tank and a virtual re-enactment of Australia's first naval victory in 1914. We stay to hear the **Last Post** and closing ceremony, then return to Yass for a slightly later dinner. *(Breakfast & dinner in the hotel / lunch at Tulip Top Gardens)*

Day 04 (BD): YASS TO EDEN – Friday 5th October, 2018

Back to Canberra this morning where we take a drive through **Embassy Row** and past **The Lodge** before making our way to **Parliament House**. Located in the heart of Canberra, it is one of the world's most acclaimed buildings. It's renowned for its impressive architecture and magnificent artworks. The building features superb stone work and Australian Timber. After a **guided tour** and some free time to view the artwork we make our way to **Commonwealth Park**, where we experience the **Floriade Festival**. The centre piece is Nerang Pool which will be surrounded by a number of discrete themes. The flower display is the largest of its type in the southern hemisphere. We have plenty of time to enjoy this abundance of bloom and beauty and there are many refreshment outlets where we can purchase our lunch. Our afternoon has us leaving Canberra and making our way to the coast where our next two nights will be spent in **Eden**. *(Breakfast & dinner in the hotel / lunch at own expense)*

Eden Motel - 02 6496 1601

Day 05 (BLD): EDEN – Saturday 6th October, 2018

Eden's history is intertwined with the whales and the fishing industry and this morning we visit the famous **Killer Whale Museum** with the skeleton of "Old Tom" the killer whale plus many other items of interest and history. We now take a drive south to have a look at **Boydton**. Benjamin Boyd, the son of a London Banker established Boydton at Twofold Bay in the mid 1800's as his headquarters from where he ran his whaling and grazing exploits. Boyd had grandiose ideas of developing Boydton to a stage not only to rival nearby Eden but Sydney itself. His grand plans for Boydton never eventuated and the only buildings erected were the **Seahorse Inn** – where we enjoy lunch today, Boyd's Church and Lookout Tower. We return to Eden and join the Cat Balou for a cruise on **Twofold Bay**. Enjoy the magnificent scenery of the coastline and surrounding hinterland as the cruise takes us through the spectacular Twofold Bay. Back on dry land we return to the motel for some free time before dinner. *(Breakfast and dinner in motel, Lunch at Seahorse Inn)*

Eden Motel - 02 6496 1601

Day 06 (BLD): EDEN TO LAKES ENTRANCE – Sunday 7th October, 2018

Once we are all packed and on the coach we leave Eden and head south with a leisurely scenic drive to Mallacoota, just over the Victorian border. There's some fascinating history in Mallacoota and we see the historic and well-kept World War II **Operations Bunker**. This piece of history is sure to leave us speechless with the information it obtained as a functional operations bunker during the second World War. The wartime intelligence gathered relates directly to coastal activities in this area involving both enemy and allied ships and aircraft. **Lunch** follows in **Mallacoota**. This afternoon, we drive to **Lakes Entrance**. For anyone who likes to take a stroll along the promenade we will see some unique **wooden sculptures**. A local wood carver has taken the stumps of trees and carved them into images of Australia at War. There are famous images from World War I

including Simpson and his donkey and a nursing sister caring for wounded soldiers. *(Breakfast and dinner in the hotel/lunch in Mallacoota)RSL Glenara Motel, Lake Entrance – 03 5155 1555*

We continue on through Morwell where we can admire one of Victoria's finest country community rose gardens. **The Morwell Rose Gardens** include eighty beds planted with 2500 roses, 250 varieties and feature a unique Australian breeders section. Next up we express to **Cranbourne** and visit the **Royal Botanic Gardens**. This is also our **lunch** venue today giving us a chance to explore these wonderful gardens.
